

March 4, 2010

Dear Parents,

This letter is to remind you of where we stand at this time of the year. Students will no longer be given a weekly homework assignment sheet. In an effort to better prepare them for the task of the upcoming school year, we have decided to have the students take responsibility for recording their daily homework assignments from the board. To keep these assignments in an orderly manner, we are suggesting that a small spiral notebook or Steno book be purchased specifically for this purpose. To ensure that your child has correctly copied the assignment, the homework cover page will be posted each week on the school's website (www.behrmancharter.net).

We must also remind you that there are still several weeks left in this school year and all supplies are still to be brought to class daily. Some of the items that our students are failing to bring are pencils, paper, notebooks, round tip scissors, covered sharpeners, crayons and glue (stick and liquid). Although most of these items were supplied at the beginning of the school year, through normal usage, most have been depleted. Check with your child to determine what your student is in need of. Also, if you overlooked or postponed classroom supplies at the beginning of the year (Kleenex, paper towels, wet wipes, hand sanitizer, snack size ziplock bags), they would be greatly appreciated at this time.

Sincerely,

Second Grade Teachers
